**ADDITIONAL INFORMATION IN RELATION TO
PROFIT WARNING**

This announcement is made by Earthasia International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (the “**SFO**”, Chapter 571, Laws of Hong Kong).

Reference is made to the announcement (the “**Announcement**”) of the Company dated 7 March 2018. As disclosed in the Announcement, the Group expects to record an increase in net loss attributable to shareholders for the year ended 31 December 2017, as compared with the net loss attributable to shareholders of approximately HK\$9.4 million for the year ended 31 December 2016. The increase in net loss in 2017 is primarily resulted from (a) the decrease in revenue by more than 20%, compared with the revenue of approximately HK\$183.8 million in 2016. The lower gross profit margin of our projects further reduces the gross profits of the Group in 2017; and (b) the relatively high level of administrative and other operating expenses caused by the increase in legal and professional expenses incurred in relation to certain acquisitions carried out by the Group during the year.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
