PROFIT ALERT

This announcement is made by Earthasia International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (the “**SFO**”, Chapter 571, Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review on the unaudited management accounts of the Group for the year ended 31 December 2019 and the information currently available to the Board, the Group expects to record an increase in loss attributable to shareholders for the year ended 31 December 2019 by more than 40% to over HK\$50 million, as compared with a loss attributable to shareholders of approximately HK\$36.0 million for the year ended 31 December 2018. In August 2019, the Group commenced the graphene business through the acquisition of Think High Global Limited, which contributed additional revenue of approximately HK\$120 million to the Group. However, the increase in loss attributable to shareholders was primarily attributable to (i) the increase in finance cost to approximately HK\$27.5 million arisen from bonds issued principally to finance the acquisition of Think High Global Limited; and (ii) the drop of revenue of the Group’s catering segment which led to the written off of investment in Suzhou Industrial Park Wenlvge Hotel Management Company Limited in the first half of 2019, and some impairment loss on the investment of Thai Gallery (HK) Limited mainly due to cease of operation of a Thai Gallery restaurant in Chengdu, China.

The Company is still in the process of finalizing the consolidated results of the Group for the year ended 31 December 2019. The information contained in this announcement only represents a preliminary assessment based on the unaudited management accounts for the year ended 31 December 2019 and the information currently available to the Board which has not been reviewed or audited by the auditors of the Company. Shareholders and potential investors are advised to read carefully the final results announcement of the Group for the year ended 31 December 2019 which is expected to be published before the end of March 2020.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
