REASONS FOR THE CHANGE OF DOMICILE

The considerations for the decision of the Change of Domicile include:

- (i) the government of Hong Kong has introduced a company re-domiciliation regime, which took effect on 23 May 2025 and aimed to provide a simple, accessible and cost-effective route for non-Hong Kong corporations to re-domicile to Hong Kong while maintaining their legal identity as a body corporate and ensuring business continuity. As the Company has been listed on the Main Board of the Stock Exchange with a principal place of business in Hong Kong, after the Change of Domicile, it can reduce the complexity of multinational compliance, streamline the legal entity structure, and effectively lower the costs associated with compliance in multiple jurisdictions;
- (ii) the tradition of rule of law of Hong Kong emphasizes on fairness, consistency, and independent judiciary, which fosters a stable and predictable environment for running business in Hong Kong. Hong Kong is renowned as a global business and financial hub for the ease of doing business underpinned by a strong tradition of rule of law. Its open and efficient company governance regime, simple taxation system, world-class professional services and strategic geographical location have made it an international hub which attracts companies such as the Company to change of domicile to Hong Kong; and
- (iii) the Change of Domicile is an important initiative for the Company to further establish its presence in Hong Kong, which can enhance local and international investors' confidence in the Company and facilitate communication between the Company and the investors.

In light of the above reasons, the Board believes that the Change of Domicile is beneficial to and in the interests of the Company and the Shareholders as a whole.
